member of

Aalberts Advanced Mechatronics Group

The Aalberts Advanced Mechatronics Group acknowledges the changing requirements of the Semiconductor Industry and makes this opportunity concrete by its member companies Integrated Dynamics Engineering GmbH, Lamers HTS, Mogema B.V. and Pneutec B.V. .

Integrated Dynamics Engineering GmbH is the worldwide leader in developing and manufacturing environmental controls, for active and passive vibration isolation, EMI active compensation, and acoustic isolation for research, metrology, lithography and medical systems; plus precision motion controls and automation solutions for wafer and mask handling, tool platforms and EFEMs for semiconductor OEMs.

Aalberts 先进机电集团认识到半导体产业的需求变化，督促其子公司切实抓住机会。其子公司包括：集成动力工程有限公司，Lamers HTS, Mogema 有限公司和Pneutec 有限公司。

集成动力工程有限公司致力于开发生产环境控制产品，包括为研究、计量、光刻和医疗系统提供主被动震动隔震、EMI主动补偿、隔音等产品；为半导体设备生产厂商提供晶圆和掩模版操控、工作台和EFEMs的精准运动控制和自动化解决方案
